

I'm not robot!

Read the following text:

Hi, how are you? My name's Zack and I'm your new friend! I'm nine years old and my birthday is on July 3rd. I've got a small family, my parents and one sister. I haven't got any brothers, but I've got lots of cousins. I really love sports and football is my favourite one. I can play very well and I hope I become a famous player like Neymar Jr. one day. He's my idol! I can't practice many other sports because I live in a small town and there aren't sports centres here.

Yesterday was my birthday party. What a fun day! I jumped out of my bed early because I was excited. My mother cooked pancakes for breakfast. They were delicious, yummy! When I was little, I didn't like pancakes, but I love them now. We listened to songs on the radio. My father wanted to listen to the news but he couldn't because it was my special day! Mom also baked a big chocolate cake! In the afternoon, it was my party. The weather wasn't cold or rainy and we could celebrate! I had mailed invitations to all my friends. They arrived at 3 o'clock and we played games. Then, we listened to my new CDs and we danced a lot. It was a fun party! I didn't want my friends to go home.

I promise I'll invite you to my next party. Bye for now!

READING

Hello friends,

I am a Spanish little girl. Helen is my name and I am 8 years old. I live in Barcelona. I don't know if you have ever been here. This is a very nice city. There are important monuments and a Gothic Cathedral. I have two brothers, Tony and Eduardo. I am the youngest in my family so people think I am beautiful and my hair is blond and my eyes are blue. Marina is my mom and Julio is my dad. There are good parents although sometimes they punish me when my behaviour isn't correct. I go to a primary school. The teachers are friendly and teach us useful material. Geography is my favourite subject and I also like English because it's important to speak a foreign language. Lessons start at nine o'clock and finish at five. We have lunch at the canteen. They prepare good vegetables and fish or meat. We eat fruit every day but we never have ice cream or cakes. At home I have dinner with my parents and my brothers. I always go to bed at ten o'clock. I usually read a book or talk to my mom. Tomorrow is Saturday and my parents are going to take us to the cinema. I love movies.

A Bad Eating Experience

Floki and Siddy are from Sweden. Last year, they went on holiday to Spain. One night, they went out for their dinner. They looked for a good restaurant. Outside one restaurant, they saw a man and a woman. The man looked cool and he smiled. Floki and Siddy greeted him and he answered them in Swedish, their language! He told them he was Swedish, like them. The restaurant was called 'la Hacienda'. They asked the man if it was a good restaurant. He recommended it and said it was excellent! He said it had the best food in Spain. Floki and Siddy trusted the man because he was from their country and they went in. They sat at a nice table beside the window. They ordered paella. The waiter brought their dish. It was terrible! There were only two small prawns in it, the chicken was undercooked and the rice was sticky and horrible. The wine was like vinegar and the water was warm. At the end of the meal, the waiter gave them the bill. It was very big! When they left the restaurant, the Swedish man was still there. Floki and Siddy told him he was wrong about the restaurant; they said it was dreadful, really awful! They asked him: 'Why did you recommend it?' 'Because I am the manager,' he answered.
